### About the scheme

The scheme benefits from an independent living co-ordinator service to ensure the safety and wellbeing of residents and to provide a link with doctors, families, friends and the support services.

The scheme is also monitored by the Control Centre and should an emergency arise they can be contacted by pulling the red intercom cord or pressing a pendant. This service is available 24 hours a day, 365 days of the year.

There are a wide range of optional social activities at the scheme; from bingo and coffee mornings to a lunch club and day trips. A communal computer gives residents access to the internet and plenty of books can be found in the library.
